DENG Sunbin (20221519)
PhD in Electronic and Computer Engineering

Dear DENG Sunbin,

SENG Academic Award for Continuing PhD Students 2018-19

It is my great pleasure to inform you that you have been selected to receive SENG Academic Award for Continuing PhD Students 2018-19 in recognition of your outstanding academic and research performance over the past year.

SENG Academic Award for Continuing PhD Students is a prestigious emblem of achievement which celebrates the academic excellence and research accomplishment of our PhD engineering students. I am delighted to learn of your continued dedication to your studies, showcasing an exemplary level of diligence and commitment to academic and research excellence.

As a token of appreciation, an award amount of HK\$20,000 will be provided to you. It is my sincere hope that you could keep up the good work and continue to shine in future. Congratulations to you again on receiving this award.

Warm Regards,

Professor Richard SO

Associate Dean of Engineering (Research and Graduate Studies)
